JOY

A large, illuminated sign spelling the word "JOY" in a stylized, serif font. The letters are filled with a gradient from red at the top to yellow at the bottom. The letter 'O' is the largest and contains a white silhouette of the Nativity scene, showing the Virgin Mary kneeling, the infant Jesus in a manger, and the infant Joseph. A white, multi-pointed star is positioned above the 'O'. The sign is set against a dark background, likely at night, and is illuminated from below, casting a glow on the grass. A small green light is visible in the upper right background.

# Community Invited To Holston Home's 'Winter Wonderland' Christmas Display

Holston United Methodist Home for Children is invited the community to come and enjoy its "Winter Wonderland" light display and other activities on Tuesday evening, Dec. 15.

The public is invited to walk or drive through the campus from 6:30 until 7:30 p.m. and join the Holston family for a bonfire, s'mores and a visit with Santa, a news release says.

"For weeks the children and staff at Holston Home have been preparing the campus for Christmas," the release says.

"While Holston Home has been a beacon of light for so many children over the past 120 years, this Christmas season it will truly light up like never before," the release continues.

"Some of the children who come to Holston Home have never experienced the peace and joy of Christmas," the release adds.

"In addition to showing the love of Jesus and sharing with our kids what this season is about, we also want to create a magical environment for some of those who have never decorated a tree, placed a wreath on the front door or lights on the house," said Holston Home President Bradley Williams.

"This is 'home for Christmas' for many of our young people, and we want to invite our friends from the community into our home for a Christmas celebration," Williams added.

During the event, persons are asked to enter the campus at the Holston Drive entrance.

Parking is available at Beacon School.

The bonfire will be located at the front of the school.

Guests are invited to visit Santa, and enjoy hot drinks and cookies served in the gymnasium.
