Make A Difference . . . Invest in Children

When you give to Holston Home for Children, you are giving hope to young people like Devon.

Devon was a kid who had never been successful at school. He didn't quite fit in and had never found the people or activities there to make him feel a part of anything. Truancy had caused him to be removed from his home several times. After almost a full year of not going to school, he came to Holston Home. He attended River Academy, and he quickly began to learn that we were all cheering him on. It was the first time that he felt like teachers supported him and were pushing him to graduate! Devon did it! He graduated from River Academy and was able to return home.

Shortly after returning home, he got his driver's license and obtained a job as a mechanic. Devon loves his job and is happy to be able to give back to his mom because he realized that she had always been there for him.

Your gift today will help make it possible for Holston Home to continue sharing the love of Christ and providing hope for a brighter future.

Please give generously. The children need your support.
